**The event, a whole day “interfaith fair” took place at Hounslow Civic Centre, and was attended by over 450 people - stories were shared, and craft skills exchanged as people of all ages and faiths came together to enjoy a day of story telling, crafts and performance to mark Inter Faith Week.**

**There were stalls about fair-trade and sustainability, food from different cultures and even a session of laughter yoga, as well as performances from children from Muslim, Hindu and Polish schools and much more. A display of the scriptures of the major world faiths provided interest, and visitors had a chance to have their questions answered. The variety of events made sure that the day had a wide appeal, and organizing the event made sure that dialogue took place even before the day had started.**
