*Pastors should see to it that the chief hours, vespers particularly, are celebrated in common in church on Sundays and the more solemn feasts.* sc100

**C**elebrating Sunday Evening Prayer has been prepared by the Liturgy Office as a resource for parishes and communities. It contains guidance and resources for preparing and celebrating Sunday Evening Prayer in parishes. A CD-ROM is included in the price which contains all the files necessary to prepare leaflets for both assembly and, as necessary, the leader.

The Study Day is for diocesan liturgy commissions, diocesan music committees or others who may be involved in formation. The purpose of the day is:

- To familiarise participants with layout/structure of the book
- To explore the pastoral need for a variety of patterns of prayer
- To explore pastoral advantages of the Liturgy of the Hours
- To enable those attending to use the resources to assist with the introduction of *Celebrating Sunday Evening Prayer* in their diocese, its parishes and other communities.

The Liturgy Office is preparing resources for both parish and diocesan use. These will follow some of the models established with resources for GIRM. In particular there will material for use on diocesan days looking at a number of specific topics such as preparation and introduction.
