

CONFESSION**2014**

nothing you
confess could make
me love you less.

come before Him with trust in His mercy.

“ Jesus receives us with all of our limitations, he brings us the mercy of the Father who forgives us, and transforms our heart, rendering it a new heart, capable of loving him, who loved his own to the end (cf. John 13:1). And this love is manifested in his mercy. Jesus always forgives us. ” Pope Francis

Confession times can be found in the parish newsletter.
