SOMETHING TO SAY

'Every young person has something to say to others. He or she has something to say to adults, something to say to priests, sisters, bishops and even the Pope. All of us need to listen to you!'

POPE FRANCIS

'Through this journey, the church wants to listen to the voices, the sensibilities, the faith as well as the doubts and criticisms of young people. We must listen to young people.'

POPE FRANCIS

'The reason we have said that all should be called for counsel is that the Lord often reveals to the younger what is best.'
