DEPARTMENT OF DIALOGUE AND UNITY

Dear friends,

It is my pleasure to forward to you the message from the Vatican for Guru Nanak Jayanti 2012. It has been sent by Cardinal Jean Louis Tauran, President of the Pontifical Council for Interreligious Dialogue and is addressed to the Sikh community throughout the world.

In his message the Cardinal speaks about the relationship between sound moral values and peace in the world. Integrity in our personal relationships is a vital building block for world peace. I am sure this message will resonate with the Sikh community and I commend it to you.

Aware as I am of the excellent relations between Catholics and Sikhs that have matured in various parts of the UK , I am also pleased to add the very good wishes of the Catholic community in England and Wales.

Yours Sincerely

+Kevin JP McDonald.
