Dear Friends

I am delighted to be able to send you the launch pack for Adoremus Liverpool 2018, the National Eucharistic Pilgrimage and Congress.

Adoremus is an initiative of the Catholic Bishops' Conference of England and Wales to create a special opportunity to reflect on the centrality of the Eucharist in the life of the church.

Each Diocesan Bishop has nominated a Coordinator to ensure every Diocese is fully involved, and a letter from Bishop Robert Byrne to explain the overall plan is enclosed.

To ensure Adoremus 2018 is brought to life in every parish, movement and religious order a range of resources has been commissioned and is available to order directly, details for which are enclosed.

I sincerely commend this initiative to you to enrich the life of the Church.

Yours devotedly
