

CaFE RESOURCES FOR RETURNING CATHOLICS

Catholic Evangelisation Services produce modern media resources called CaFE (Catholic Faith Exploration) aimed at bringing our faith alive in a modern, fresh way. There are over 20 different DVD series designed for enquirers, sacramental preparation, parish renewal, RCIA, deeper study groups and youth. The resources are fun to watch, stimulating, practical and meet people where they are at. Each series has been professionally produced and include discussion points and times of prayerful reflection. They are best run café style where people are welcomed into a relaxed, non-threatening environment allowing small group discussion and support to grow naturally.

Ideal DVD resources:
