

## STATEMENT FROM THE BISHOP OF LANCASTER REGARDING THE EARTHQUAKE IN HAITI

*"Horrified and saddened."*

*15 January 2010*

"We have been horrified and saddened by the pictures of mass destruction and human suffering due to the earthquake in Haiti earlier this week. I am sure the Diocese of Lancaster joins me in their thoughts and prayers for all the deceased, the injured and homeless.

We pray that practical help will soon be available to all the distressed in Haiti, and we ask Almighty God to look down with mercy on this nation who have been so grievously afflicted."

Rt Rev Michael G Campbell OSA  
Bishop of Lancaster
