WHAT WE AIM TO DO

Provide people who share in the lives of People with Intellectual Disabilities, with reflective and inclusive skills as they accompany them through experiences of loss, death and bereavement.

WE WILL PROVIDE

Insights into palliative care which attends to the spirituality of a person.

Practical approaches which will support people as they approach their own death or experience bereavement and loss.

Stories, approaches and experiences from the L'Arche communities.

Insights from studies surrounding Theology, Spirituality and Disability.

YOU WILL LEAVE WITH

An understanding of the importance of spirituality within the journey of life and death.

First hand stories from People with Intellectual Disabilities.

Knowledge, skills and coping methods during these challenging times.
