*World Communications Day, 12 May, Ascension Sunday*

On World Communications Day we are asked to keep those who work in the media in our prayers and there will be a second collection for the Catholic Communications Network (CCN), which is entirely funded by this collection. The CCN provides communications support for the bishops of England and Wales, both individually and collectively, the Holy See and the Church more widely in promoting the Gospel through the media on a variety of different levels. CCN works with the media (behind the scenes) on a daily basis to ensure the best possible coverage of current issues which have relevance for the Catholic faith including events such as the media co-ordination of the Papal Resignation and Election of Pope Francis.

Please help the CCN to promote the Good News through the media, by your prayers and generosity.
