INTRODUCTION

The intention of the playing cards is to help young people identify where God is at work in their lives and awaken a deeper desire to make Jesus the King of their hearts.

This leaflet provides three sets of questions that can be used with the playing cards in different settings. Each set has a different flavour that provokes one of the following responses:

- ♥ Prayerful reflection
- ♥ Discussion
- ♥ Sharing

The questions are a tool to enable the students to explore the topics mentioned further.

If you would like to order additional packs of playing cards please download the order form from www.nationalyouthsunday.org.uk.

Should you have any queries with regards to your order please email sales@rpbooks.co.uk or call us on 01420 88222.

HOW HAVE YOU USED YOURS?

In his WYD message this year, Pope Francis encourages young people to delve into the bible.

These cards are a tool for creative youth leaders to make that first step into exploring the word of God.

Whether using these cards in a prayer time or game, why not tell us how you have used yours. You are welcome to post your ideas and keep updated with resources on the **National Youth Sunday** Facebook page.
